

CALL FOR INDUSTRY PEER REVIEWERS FOR ACADEMIC PROGRAMME ACCREDITATION

The National Council for Higher Education (NCHE) will conduct an external review of the academic programmes listed below during October/ November 2024. Through this call, NCHE cordially invites industry and professional experts in the relevant fields, to serve as members of independent review panels.

No	Name of Programme	Level
1.	Bachelor of Education in Junior Primary Education Honours	8
2.	Bachelor of Science in Computer Science Honours	8
3.	Bachelor of Science in Information Technology Honours	8
4.	Bachelor of Science in Mathematics Honours	8
5.	Bachelor of Science in Data Science Honours	8
6.	Bachelor of Science in Population Studies Honours	8
7.	Bachelor of Science in Ecology and Biodiversity Conservation Honours	8
8.	Bachelor of Veterinary Medicine	8
9.	Master of Education in Educational Leadership, Policy, Planning and Financing	9
10.	Master of Education in School Counselling	9
11.	Master of Education in Junior Primary Education	9
12.	Master of Public Health	9

The role of the industry representative on the review panels is to share their industry experiences and expertise and interrogate the contents of institutional submissions. Interested experts should submit their credentials to QA@nche.org.na on or before 20 September 2024 for consideration. The review process will take three days.

Some of the benefits of being selected as a peer reviewer include an honorarium, a free induction on the Quality Assurance System for Higher Education in Namibia, and enrolment in the NCHE database. Whenever opportunities occur, the listed experts become potential NCHE priority peer reviewers.

Interested industry experts should fulfil the following requirements:

- Should be working in the industry under consideration,
- Hold at least a degree/ diploma not lower than the qualification in review,
- Good spoken and written communication skills; and
- Good command of the English language.
